

Austenwood Care Home Monthly Newsletter

29 North Park, Gerrards Cross, Buckinghamshire SL9 8JA

Our boutique luxury home delivering individual care for our residents

Bringing the Community Closer to Home

What started with a very generous and kind donation of knitted blankets from the local Gerrard's Cross Knit and Natter group, has grown into our very own activity in the home supported by the lovely ladies. A group of very talented knitters came to share their skills with our residents and to have a good old natter. This will hopefully become a regular visit in our Activity schedule. Thank you to Age Concern UK, Gerrards Cross!

Glad to care week

June has been all about building stronger relationships within the community and we went all out for Glad to care week! We invited all front line workers in for a Blue Light breakfast, featuring a special visit from Gerrard's Cross Fire and Rescue Service. They brought along their fire engine which was very popular amongst the residents. St Mary's School paid us a visit with some very talented pupils who all preformed for our residents. We also invited the local community to come and join us for an Open Day which was very popular.

We enjoyed a lovely outing into the local area, with a visit to Caffè Nero in town. It was a wonderful time shared together, with plenty of smiles over cups of coffee and hot chocolate - a real treat for everyone!

Back at home, we were delighted to welcome Nicky, the wife of one of our residents, who generously shared her time and expertise in a flower arranging session. Nicky is a familiar and much-loved face in our activities, and on this occasion, she brought her professional flair to help us create stunning floral displays using blooms and foliage from our own garden. We are so grateful for the continued support and warmth from family members like Nicky - it truly brings extra joy and colour to life here at Austenwood.
