Austenwood's Annual Spring Party

On May 17th, Austenwood hosted its much-anticipated Annual Spring Party, and it was a resounding success. The event was well attended, with residents, families, and staff coming together to enjoy the festive atmosphere. Our dedicated Activity Team, along with Chef Christopher and his talented kitchen staff, went above and beyond to make the day special. The home and gardens were beautifully decorated to welcome our guests, and everyone enjoyed a delightful buffet filled with delicious treats.

Performing Pets and Heidi Browne

The brilliant Performing Pets brought along a collection of adorable animals for the residents and visitors to interact with. They had lambs, goats, ducklings and chicks as well as rabbits and a mini pig. The most popular pets were the budgerigars, cockatiel and parrot. These sat on the shoulders or arms of many people for quite some time and were oohed and aahed over. They seemed to take it all in their stride.

Adding to the festivities, the Activity Team organised a lively raffle and tombola, raising an impressive £340 - thank you to everyone who took part! Guests were also treated to a fantastic performance by the brilliant and talented Heidi Browne, whose unique twist on classic favourites had everyone smiling. It was truly a joyful occasion for all who attended, made even better by the glorious weather, which allowed us to make the most of our lovely courtyard garden.

VE Day 80th Celebration

Austenwood paid respects to the fallen heroes of the Second World War on VE day, we all stood for the 2 minutes silence and remembered those who gave their lives to protect our futures. Our residents were very happy to take part in the celebrations of the day and enjoyed a good old British lunch of Sausage and Mash with jam roly poly and custard for dessert. The dining room was laid up in street party style and this made for a very social mealtime.

There is a busy month ahead in June with several special days in the calendar.
