Our boutique luxury home delivering individual care for our residents

Alexander Devine's Children's Hospice

We were delighted to welcome Zoe, a representative from the hospice, who spoke to us about the wonderful and inspirational work they do to support children with life-limiting conditions and their families. Our residents, along with some members of staff, proudly showcased the knitted animals they have made in support of the hospice's Big Spring Knit fundraising campaign.

We will be placing a collection box in the home, giving residents, visitors, and staff the opportunity to purchase their own knitted creatures and help raise much-needed funds for the hospice. Some of our residents will also be visiting the hospice to look around and collect the box. They are really looking forward to this and are very happy to be working in partnership with such a worthy cause.

February fun and friendships

February brought out the competitive streak in some of our residents, as well as a few of their family members. Everyone had a fantastic time at Hollywood Bowling in High Wycombe, and the outing was thoroughly enjoyed by all who attended. The competition doesn't stop there - next month they have decided to continue the fun with a game of mini golf!

Back at home, some of our residents took on a group challenge by working together to complete an intricate jigsaw puzzle. Teamwork was key as they supported one another to get the job done, and this photo shows the puzzle halfway to completion.

Our residents were treated to a rare and delightful visit from a giant koala during our Australian-themed day. Sammi, who clearly enjoys dressing up in inflatable costumes, toured the home spreading smiles and sharing plenty of cuddles with residents, visitors, and even staff.

Everyone also enjoyed a delicious Australian-inspired lunch and took part in a variety of fun activities celebrating life Down Under throughout the day.

We can't wait to see what Sammi will dress up as next time! 🐨
