Our boutique luxury home delivering individual care for our residents

## February brings the love to Austenwood

Love was definitely in the air on February 14th when the home celebrated Valentine's Day. Our lovely residents were able to invite their nearest and dearest to join them for a special celebration lunch. The dining room was decorated for the occasion and our talented chef made a special 3 course meal for all to enjoy. In the afternoon the residents also enjoyed a lovely cheese and wine event. All in all a day of love and romance with great food and even greater company.

# Meet our new animal friends

During February our residents were happy to welcome two new furry friends to the home. Marmalade the cat was the first to join us, he is a beautiful ginger Al pet. We also had a visit from Mabel, an 8.5 month old Kashon and she visited with her owner, we hope she visits us again soon.

In March we have several events coming up which our Activities team would like to invite you to. We have a tasting event for our new Spring and Summer menu on Thursday 6th from 6pm. We are having a quiz in aid of Comic Relief on Friday 21st March from 6pm. Finally help us celebrate Mothers Day at our afternoon tea event which is on Sunday 30th. Please come along and join us .
