Our boutique luxury home delivering individual care for our residents

A Huge Thank You from Austenwood Care Home

A huge thank you to everyone who supported our recent fundraising events for Prostate Cancer UK, Stand Up To Cancer and Macmillan Cancer Support.

From our Charity Walk and Coffee Morning to our wonderful Bake Off, it was fantastic to see so many residents, families, friends and members of our community getting involved. Every donation, big or small, helped make a difference.

A special congratulations to Esther, who was crowned the winner of our Stand Up To Cancer Bake Off. Our residents had a wonderful time judging all the delicious entries!

Thank you to everyone who helped make these events so special and for supporting three incredible charities.

Our residents took a trip to the local garden centre to choose flowers for our hanging baskets and bulbs to plant around the home. The bulbs are now in the ground, and everyone is looking forward to seeing them bloom as the seasons change.

There has also been plenty of creativity in the garden, with residents making bird feeders to place around the home. We're looking forward to seeing which birds come to visit.

It has been a lovely way to spend time outdoors, enjoy gardening and make the most of the changing seasons.

Our pen pal in the USA recently sent us a beautiful letter, and Valerie was delighted to write a reply all by herself. A trip to the post office followed, where we bought a stamp and posted her letter. Valerie has loved being part of this special project and is looking forward to receiving another letter soon.

We also welcomed children from Ladybird Nurseries, aged two and three, for a lovely afternoon of colouring and singing. It was wonderful to see generations coming together, sharing smiles, laughter and special moments.
