Vintage Glamour Summer Party

A Huge Thank You from Austenwood Care Home.

We just want to start by saying a massive thank you to everyone who came along to our Vintage Glamour Summer Party. What an incredible turnout and what an amazing afternoon we had.

The atmosphere was truly wonderful, filled with laughter, music, dancing and so many happy smiles. It was especially lovely to see our residents surrounded by their families and loved ones, enjoying precious time together and making memories that we hope will be treasured for years to come.

Celia, Mayor of Bourne End, joined us and spent lots of time chatting with our residents and their families. This was very much appreciated, and it was lovely to see how much everyone enjoyed her company.

We were also delighted that Jane and Emilio from the church could join us. They spent time talking with our residents and families and really helped make the afternoon feel like a wonderful community celebration.

A huge thank you to Chris and the team for putting on such a fantastic BBQ, with lots of delicious food for everyone to enjoy.

But one of the most special parts of the afternoon was seeing our residents dancing with their families, laughing together, enjoying the music and simply being in the moment. Seeing the happiness on their faces made all the hard work behind the scenes so worthwhile.

It was a truly special day filled with love, laughter, togetherness and wonderful memories.

Thank you to every resident, family member, friend, guest and member of the team who helped make our Vintage Glamour Summer Party such a beautiful and memorable occasion.

From all of us at Austenwood, thank you for making it so special.
