Mad Hatters Summer BBQ Party

On Saturday, 9th August, we hosted a wonderful celebration for our residents and the wider community. Blessed with beautiful weather, the lower ground floor garden was transformed into a vibrant Wonderland by our amazing activity team. A special highlight of the day was the honour of welcoming our local mayor, whose presence made the event even more memorable. Our talented chef and kitchen team served up a delicious spread, which was thoroughly enjoyed by all.

Back by popular demand

We were thrilled to welcome Performing Pets back for this event, returning by popular demand after their huge success at the Spring party.

We were also delighted to have the incredibly talented Nik Stoter perform at the party. Although he's been a regular visitor to the home in the past, it had been a little while since his last visit. It was wonderful to welcome him back, and everyone enjoyed his beautiful singing.
